Studies

1990 - 1993 Bachelor of Science in Environmental Studies, Sunderland University, Sunderland, U.K.
1993 – 2000 Master of Science in Marine Biology, University of Crete, Iraklion, Greece
1998 Professional Diver (register no. 09, Kavala 27/7/98), TRIMIX diver (register no. 98028-16, European Scuba Diving Association).

Professional and Research experience

1994-1995 Institute of Marine Biology of Crete, IMBC. Technician in the Department of Hydracoustics for ten months. Participation in the research project FISHCALAIR GR, I, "Improvement of the fish stock assessment methodology", 1992-1995. Organization of diving activities and on board samplings with the research vessel PHILIA.

1996-present Fisheries Research Institute, Lab of Fisheries Research: (a) Responsible of the diving team, for the monitoring of ichthyofauna and colonization of benthic organisms on hard substrata and fish aggregated devices (FADs); (b) Fisheries biologist (on board sampling, laboratory techniques, biological sampling, species systematic and taxonomy, population dynamics, stock assessment, statistical analyses, technical reports and publications).

Projects related to underwater monitoring and evaluation of ichthyofauna and benthos of hard substrata –Participation as responsible of the scientific diving team of FRI

1. “Construction and monitoring of artificial reefs, Fanari, Thracian Sea, (1997-2004). *Funding:* Ministry of Agriculture.
2. “Fish aggregating device (FAD) fisheries in the Eastern Mediterranean: An alternative technique to enhance pelagic fish catches and diversify fishing effort”, (2000 – 2001). *Funding:* European Commission, DG XIV, Research Program, (contract 99/30).
3. “Quantitative and qualitative study of ichthyofauna in Antikyra Bay”, (1996 – 1997) *Funding:* Aluminou of Hellas BEAE.
4. “Feasibility study for the construction of artificial reef in Calymnos island”, (1998-2000). *Funding:* Prefecture of Dodecanisa (cod. 736/27-5-99).
5. “Feasibility study for the construction of artificial reef in the coastal zone of Ierissos Gulf, Chalkidiki”, (1999-2000). *Funding:* Ministry of Agriculture (cod. 151/5-2-99).
6. “Study for the placement of artificial reefs in Maliakos Golf”, (2000-2001). *Funding:* Ministry of Agriculture
7. “Study for the placement of artificial reefs in Ierissos Gulf, North Aegean Sea”, (2000-2001). *Funding:* Ministry of Agriculture.
8. “Construction of artificial reefs in Kalymnos island, prefecture Dodecanese. *Funding:* Ministry of Agriculture.
9. “Construction of artificial reefs in Ierissos Gulf, North Aegean Sea”. *Funding:* Ministry of Agriculture.
10. “Feasibility study for the construction of artificial reefs in Thermaikos Gulf – Kitros Pierias”, (2007-2008). *Funding:* Prefecture of Pieria, Central Macedonia, Greece.
11. “Study of ichthyofauna and oceanography in Thermaikos Gulf – Kitros Pierias”, (2007-2008). *Funding:* Prefecture of Pieria, Central Macedonia, Greece.
12. “Feasibility study for the construction of artificial reefs in KyparrisiaBay”, (2008-2009). *Funding:* Prefecture of Messinia.
13. “Feasibility study for the construction of artificial reefs in Lipsi Island, Dodecanese”, (2009-2010). *Funding:* Prefecture of Dodecanese.
14. “Feasibility study for the construction of artificial reefs in Kos Island, Dodecanese”, (2009-2010). *Funding:* Prefecture of Dodecanese.
15. “Study for the construction of artificial reefs in the Gulf of Kavala, North Aegean Sea”, (2010). *Funding:* Prefecture of Kavala.
16. “Study for the construction of artificial reefs in Kyparissia Bay, Peloponnese” – Ichthyologic and oceanographic study of Kyparissia Bay, (2010). *Funding:* Prefecture of Messinia and Municipality of Kyparissia.
17. “Feasibility study for the construction of artificial reefs in Cephalonia Island, Ionian Sea”, (2010-2011). *Funding:* Prefecture of Cephalonia and Ithaca.
18. “Feasibility study for the construction of two artificial reefs in Karpathos and Kassos Island, Sout Aegean SeaSea”, (2012-2013). *Funding:* Prefecture of South Aegean.
19. “Three-year scientific monitoring of the impacts of artificial reefs in the coastal zones of Ierissos Gulf in Chalkidiki, in the coastal area of Kalymnos Island in the Dodecanese and in the coastal zone of Preveza in the Ionian Sea”, (2012-2015). *Funding:* Ministry of Agriculture.
20. Three-year scientific monitoring of the impacts of artificial reefs in the coastal zones of Kitros in Thermaikos Gulf”, (2015-2018). *Funding:* Prefecture of Pieria, Central Macedonia.

Participation in other Fisheries Biology projects

1. "Analysis of Trawl's Discard Operation in the Central and Eastern Mediterranean Sea", (1996-2000) *Funding*: European Commission, DG XIV, Research Program (contracts 95/61, 97/44). *Participant in field work*.
Co-author in final reports
2. "International Bottom Trawl survey in the Mediterranean", (1996-2001). *Funding*: European Commission, DG XIV, Research Program (contracts 95/27, 97/41, 99/38, 00/10).
Responsible of field work team
Co-author in final reports
3. "Growth and natural mortality of *Nephrops norvegicus*, with an introduction and evaluation of creeling in Mediterranean waters", (1997-2000). *Funding*: European Commission, DG XIV, Research Program, (contract 96/013).
Participant in field work
Co-author in final report
4. "Stocks assessment of some coastal species caught by artisanal fishery", (1997 – 1999). *Funding*: European Commission, DG XIV, Research Program, (contract 96/54). *Co-author in final report*
5. "Concerted Actions for the Management of the Strymonikos Coastal Zone", (1997 – 2000) *Funding*: European Commission, DG XI, Life96, Research Program, (contract Env/GR/00564/PAZ).
Participant in field work
Co-author in final report
6. "Cephalopod Resources Dynamics: Patterns in Environmental and Genetic Variation", (1997 – 2000). *Funding*: European Commission, DG XIV, Research Program.
Participant in field work
7. "Upgrading Greek gillnet fishery", (1998 – 1999). *Funding*: European Commission, DG XIV, (contract 97/106).
Participation in technical seminars to fishermen
8. "Small Coastal Fishery – Support to the Islands of Cyclades: Development of small coastal fishery in the region of Cyclades", (1998 – 1999). *Funding*: European Commission, DG XIV(contract 97/C-216/30).
Tutor in technical seminars to fishermen
9. "Actions d'integration aux activites economiques de la peche des femmes de pecheurs de Kavala", (1998 – 2000). *Funding* : European Commission, DG XIV, (contract 97/C-216/31).
Tutor in technical seminars to fishermen
10. "*Nephrops* Trawl Discard Reduction using Activating Selection Grids", (1999 – 2001). *Funding*: European Commission, DG XIV/C2, Research Program (contract FAIR-CT-98/4164). *Budget*: 1,054,474 ECU. *Institutions*: FRI-NAGREF, UNDML, SOAEFD, RVZ
Participant in field work

11. "Fish aggregating device (FAD) fisheries in the Eastern Mediterranean: An alternative technique to enhance pelagic fish catches and diversify fishing effort", (2000 – 2001). *Funding*: European Commission, DG XIV, Research Program, (contract 99/30).
Responsible of field work team
Co-author in final report
12. "The purse seine landing composition in Eastern and Central Mediterranean Sea", (2000-2002). *Funding*: European Commission, DG XIV, Research Program (contract 99/035). *Responsible of field work team*
Co-author in final report
13. "Fishing power and selectivity of net and vessels types", (2000 – 2001). *Funding*: European Commission, DG XIV, Research Program (contract 99/08).
Participant in field work
Co-author in final report
14. "Collection and management of data from commercial fisheries in Greece", (2001). *Funding*: : European Commission, DG XIV, Research Program (contract 00/019).
Participant member
15. "Study of the fyke-nets and traps in the Thracian Sea" (1999). *Funding*: Prefecture of East Makedonia and Thracia, Greece.
Responsible of field work team
Co-author in final report
16. "Study of anchovy stock according to previous evaluations and management proposals", (2000-2001). *Funding*: Ministry of Agriculture (cod. 9686538).
Co-author in final report
17. "Environmental impact study of fishing port, Agiokabos, Prefecture Larisa, Greece"
Funding: Prefecture of Larisa.
Responsible of diving team
18. "Deep water fishery with traps for nephrops, shrimps, lobsters and fish", (2000 – 2001). *Funding*: Municipality of Kalymnos.
Participant in field work
21. " MEDITS GR III. International bottom trawl survey in the Mediterranean", (2000-2001), (2001-2002), (2003-2004) ,(2004-2005), (2005-2006), (2006-2007), (2007-2008) , (2008-2009), (2013-2014), (2014-2015), (2015-2016) and (2016-2017). *Funding*: European Commission DG XIV.
Responsible of field work team
Co-author in final report
22. "TRAMMEL NET. Fishing power and selectivity of net and vessel types" (1998-2000).
Funding: European Commission DG XIV
On board sampling
Co-author in final report

23. "ANCHOVY. Study of anchovy stock status based on past estimates and management proposals", (2000-2001). *Funding:* Ministry of Agriculture
Co-author in final report
24. "NATIONAL. Collection and management of data from commercial fisheries in Greece", 2001. *Funding:* European Commission DG XIV.
On board sampling
Co-author in final report
25. "ANREC. Association of Physical and Biological processes acting on Recruitment and post recruitment of anchovy", (2002-2005). *Funding:* European Commission DG XIV.
On board sampling
Co-author in final report
26. "FAD. Fish aggregating Device (FAD) fishery in the eastern Mediterranean: An alternative technique to enhance pelagic fish catches and diversify fishing effort", (2000-2001) (αλιεία με επιπλέουσες σχεδίες προσέλκυσης ψαριών). *Funding:* European Commission DG XIV.
On board sampling
Co-author in final report
27. TRAPS. Fishery in deep waters with traps for nephrops, shrimps, lobster and fishes", (2000-2001). *Funding:* Municipality of Kalymnos island.
On board sampling
Co-author in final report
28. .NATIONAL. Collection and management of data from commercial fisheries in Greece", (2001-2006). *Funding:* European Commission DG XIV.
On board sampling
Co-author in final report
29. (2005-2006), (2006-2007), (2007-2008), (2008-2009), (2009-2010), (2010-2011), (2011-2012), (2012-2013), (2013-2014) και (2015-2016). "MEDITS CY. International bottom trawl survey in the Mediterranean" *Funding:* European Commission DG XIV.
On board sampling
Co-author in final report
30. " Investigation of the behavior of the purse seine net in different fishing conditions", (2007-2008). *Funding:* Ministry of Agriculture
On board sampling
Co-author in final report
